Sir,

Sanitary Establishment - Anekal Subsection.

16/5

I have the honour to state that the part-time scavenger who had been entertained at Anekal for attending to the sanitation work of the station and the colony of this Department on a monthly remuneration of Rs.6/- has tendered resignation with effect from 1-4-47 expressing inability to work further due to old age and weakness. No other part-time scavenger is reported to be available at the place. As the services of a Scavenger was inevitable, the Superintendent, Power and Lighting K.G.F., reports that he has entertained a full time man on Rs.10/-p.m. from 1-4-47. It is ascertained that the monthly rate of pay to a full time scavenger in the Local Municipality is Rs.10/- for a male and Rs.9/- for a female. The number of families in the colony is eight and the population 41.

In order to keep the sub-station and colony premises clean and in the interest of the good health of the colonists, I request that sanction of government may be kindly obtained and communicated for the post of a full-time scavenger for Anekal sub-section on a monthly pay of Rs.10/-. Necessary funds for meeting this extra expenditure will be found from the grants under Maintenance Establishment for the current and subsequent years.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer. 16/5
